Snowbowl Folf Course

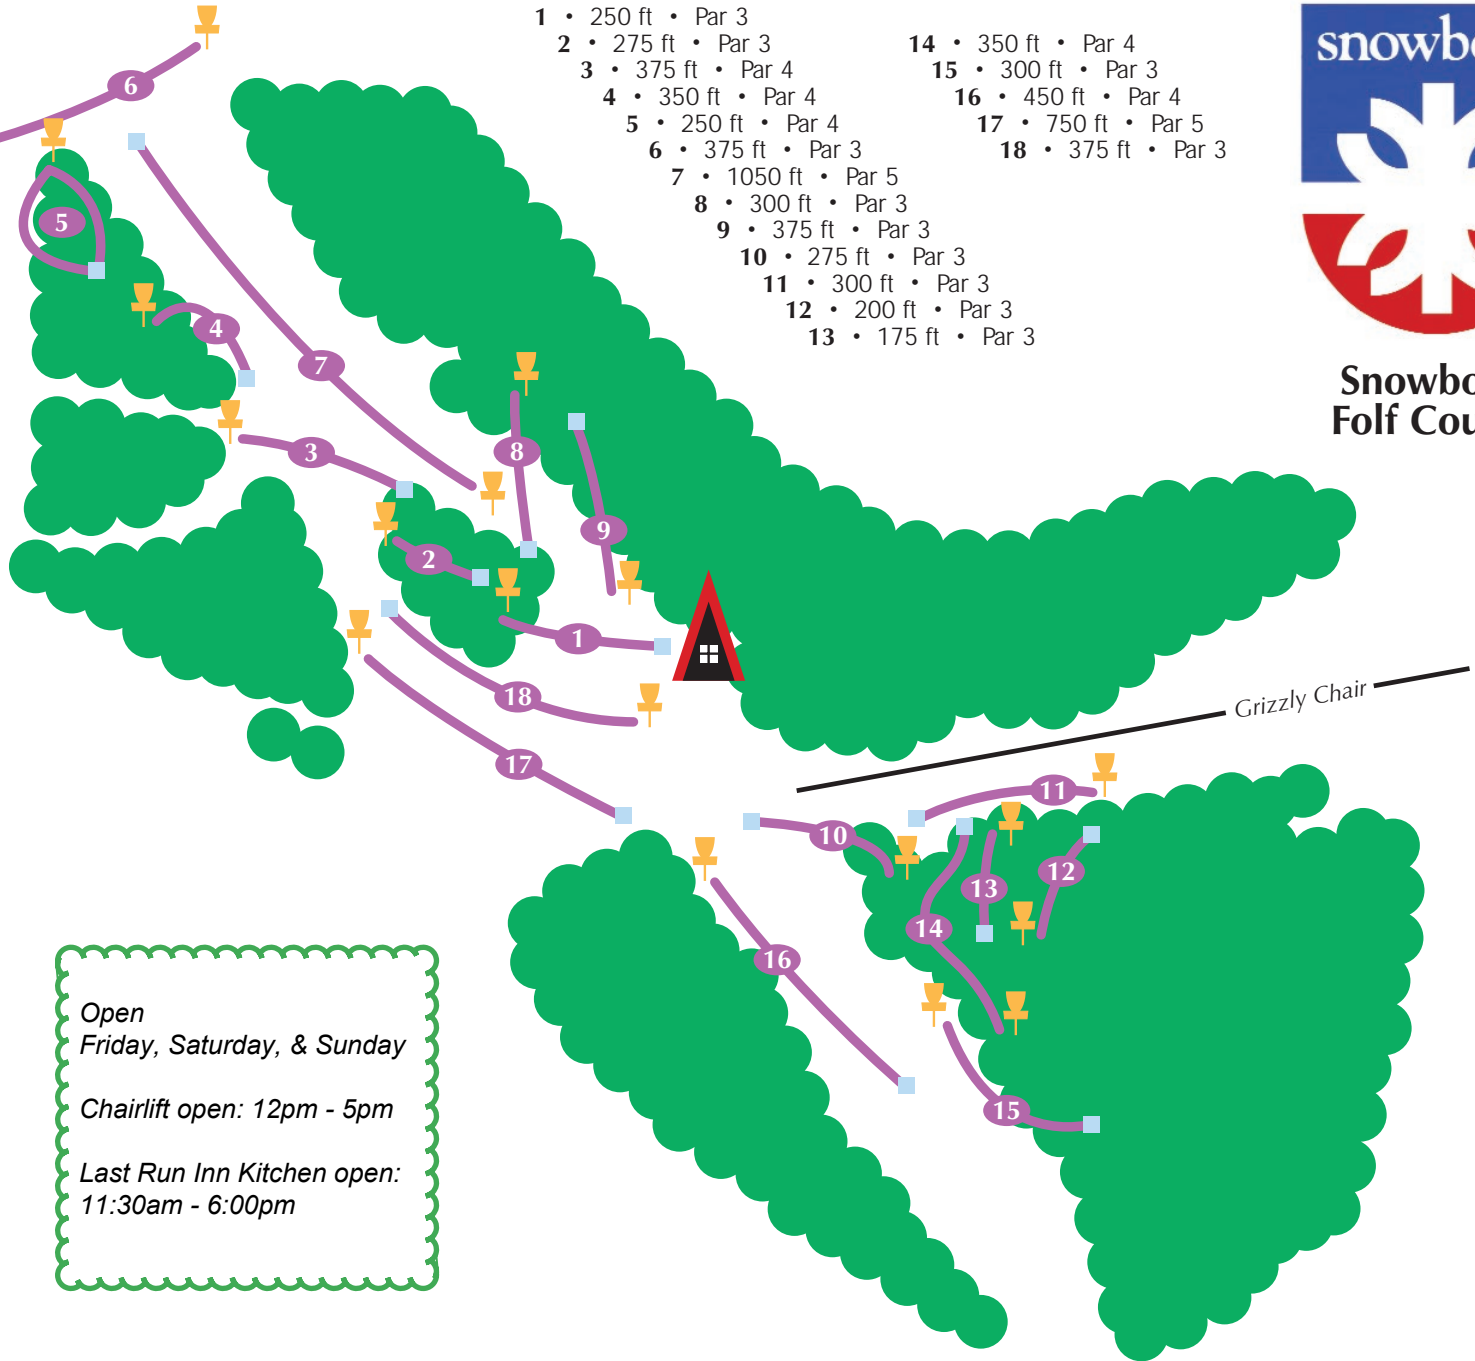

*We've got a lot
more than altitude
that's breathtaking.*

If the views from our chairlift rides to 7,000 feet don't take your breath away, then give some of our summer activities a try. We've got hiking, mountain biking, wild berry picking, and folf. (Yes, you can ride the lift back down too.) Snowbowl has miles of biking trails from easy cruisers to hard-core single track (helmets required). And, for the appetite you'll build up, make your way to the Last Run Inn for our tasty hand-tossed pizza baked in our wood-fired brick oven. When it comes to great summer fun, a day at Snowbowl Ski and Summer Resort is a breath of fresh Montana air. And, for a party that's high above the ordinary, call for information on booking your special event.

*Open
Friday, Saturday, & Sunday*

Chairlift open: 12pm - 5pm

*Last Run Inn Kitchen open:
11:30am - 6:00pm*
