

Brad, I, and the entire Snowbowl crew want to thank you for being a pass holder at the Bowl this season and to again offer you the opportunity to save some money and at the same time help us improve the Bowl. By applying now for your pass for next ski season and sending a *non-refundable deposit* of one-half of last year's fall pre-season price by May 1, 2008, you will save 10% off next year's fall price (nearly \$50 for an Adult pass!) and we will have some extra capital to continue improvements at Snowbowl. The balance will be due November 10, 2008, and we will send you a reminder and the official pass application in mid October '08.

Speaking of the summer plans, we will be firing up our wood pizza oven and serving *lunches and dinners* while we are open this summer for mountain biking, disc golf, chairlift rides and hiking. You can try our *single-track bike trail* from the top of the Grizzly lift, through the Bowls, Longhorn and Paradise to the base. It is a spectacular five-mile run, with a wide variety of terrain and pitch. We will be renting *Mountain Scooters* this summer-you can ride them on all our trails. For our golf course we now have *eighteen holes* all with *baskets*. So bring your friends and guests and show them the other Snowbowl, where beargrass and huckleberries replace powder and moguls, but the fun remains year round. Don't forget Snowbowl is a great place for a wedding, family reunion or other special event.

An Extra Benefit: Next year other Montana Ski Areas (most, if not all) will again be offering discounts to Snowbowl pass holders.
