

## Montana Snowbowl Ski PE Program 2009-2010

The cost and details of the program for this season are:

Fees include one 2-Hour Group Lesson<sup>1</sup> (please read explanation below) Use of Equipment for the Full Day, and Skill-Appropriate Lift Privileges.

|  | Ski or Board**   |
|--|------------------|
| Grades 2-12  | \$20.50          |
| Grades K*-1  | \$24.50          |
| * at least 5 years old see below **Limited availability for snowboards |                  |
| Chaperones   | \$20.50          |
| Teachers   | FREE (see below) |

School Ski PE is available any day Snowbowl is open and that the public schools are open.

If your group needs transportation, bus service is available through Snowbowl's bus provider, Hellgate Transportation. You can contact them directly (549-0594) or we can help make arrangements and incorporate the transportation into the package price.

There is a minimum of eight students in order to participate in the Ski P.E. Program. One free lift ticket for teachers is provided for every 10 participating students. Having parents at Snowbowl to chaperone students during their lessons (riding the lift with students, helping students with rental equipment, etc) is a big help and we are happy to extend to these parent chaperones special all day chaperone lift tickets at a discounted price. Kindergarten and First Grade students are at an especially perfect time for learning but they do require extra attention. The program price is slightly higher for these younger skiers so we can provide smaller class sizes to give them that extra attention. Programs for students under 5 years old are possible with special arrangement-please give us a call.

Additionally, we realize that not everyone can afford to go skiing all the time so we do offer a scholarship program, please call the ski school for details.

Several weeks before your school date, we will send you the rental-registration cards. These should be returned to us in advance of your date (preferably two weeks prior but no less than a week) so we can get as much of the classes and equipment set up and ready to ensure a smooth Ski P.E. day for your students.

Schools have begun booking their dates for this season, so please give us a call at 549-9777 extension 16 (leave your phone number and message during the off season and we will call you back) or e-mail at [brad@montanasnowbowl.com](mailto:brad@montanasnowbowl.com). We look forward to hearing from you!

1) Lesson time is dependent on number of students and will be shortened for groups smaller than four students. Classes may be combined in order to provide a lesson experience lasting the full two-hour period. We will work with your coordinator to set up groups and lesson times. The Ski PE Program is designed around average class size of 7 students.
