

JOB DESCRIPTION Snowbowl Zip Line Guide

Effective May 2017:

Montana Snowbowl is looking for a few enthusiastic folks who like to work outdoors to help guide our new 4 tour zip lines now in its second summer. This is an opportunity for a great part-time or close to full time job up in the mountains just 12 miles from Missoula. Please find below a brief description of duties and work conditions.

If you are interested in applying please visit www.montanasnorbowl.com/working-at-snowbowl/ and print the employee application form. You may submit your completed form

via email to: info@montanasnorbowl.com with "ZIP LINE GUIDE" as the email subject

or mail to:

Montana Snowbowl
c/o Zip Lines
PO Box 8107
Missoula, MT 59807

Interviews and hiring will occur on a rolling basis until positions are filled.

Title: Zip Line Guide

Hours and Employment Term: Part-time seasonal; paid training to begin in mid June season starts Friday June 23th and continues Thur-Sun. until Sept. 10th; hourly wages plus tips

General Duties: The Zip Line Guides assists with the daily operation of the zip line in a safe and efficient manner while promoting a positive atmosphere with riders. Duties include daily on-going inspection of all zip line equipment, giving safety presentations to zip riders at the beginning of each tour, accompanying and safely loading, unloading passengers on each of the zip lines, ensuring passengers return to the base and all equipment is returned undamaged, as well as minimal office work such as answering phones and assisting with the booking and payment of tours. The Zip Line Tours are conducted in the lower level of the Gelande Sprung Lodge (Snowbowl Pro Shop during winter months). Zip Line Guides reports to the Zip Line Manager.

Physical Demands, Work Environment, Work Qualities:

- Enthusiasm for outdoor activities and Montana tourism
- Able to communicate instructions to customers in a friendly disarming manner
- Strict attention to detail when performing routine tasks
- Able to lift 20 pounds above the head repetitively with twisting and bending.
- Able to lift up to 50 pounds occasionally.
- Able to engage in repetitive body motion involving upper body torque during the loading the trolley and helping riders prepare for their take-off and landing.
- Walking/hiking on unstable ground, up and down hills.
- Able to engage in physical activity and standing for extended periods of time.
- Ability to work under varying weather conditions, often extreme in nature.
- Non-smoking environment.
